1

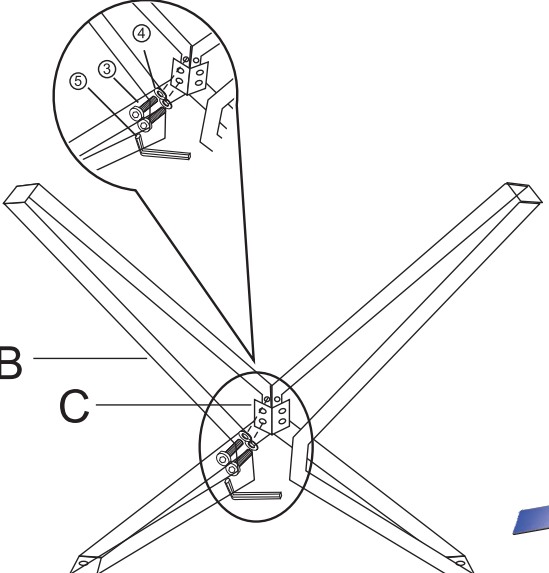

Diagram showing the first leg assembly (B) being attached to the central hub. A bracket (C) is used to secure the leg with a bolt (1). A circular inset provides a detailed view of the connection point, showing the bracket, bolt, and leg assembly.

2

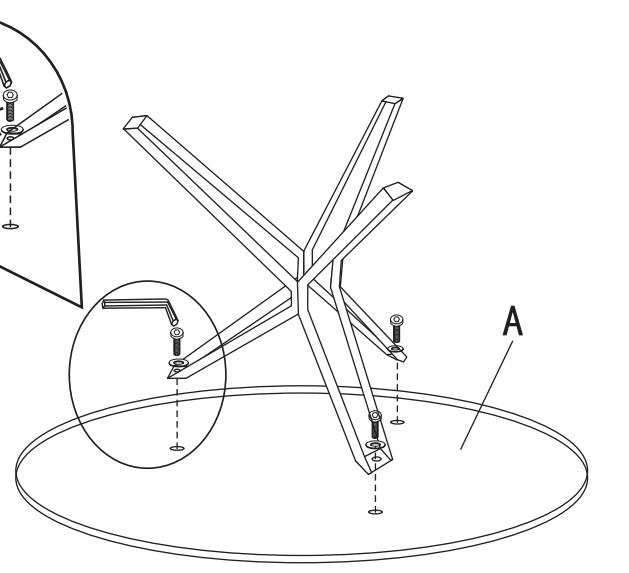

Diagram showing the remaining two leg assemblies (B) being attached to the central hub. A circular inset provides a detailed view of the connection point, showing the bracket, bolt, and leg assembly. The label 'A' points to the oval plate.

3

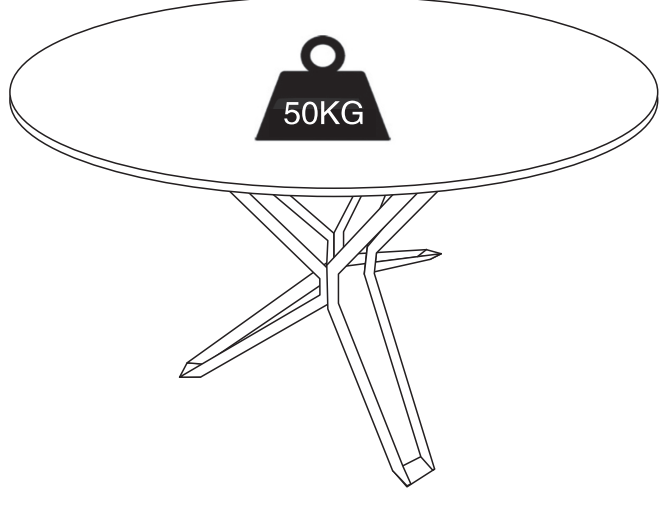

Diagram showing the final assembled table. A 50KG weight is placed on the oval plate (A) to test the stability of the assembly.
